

Hometown Fundraising!

Dear Fundraisers:

Thank you for choosing Original PJ's Pizza for your fundraising needs. We are excited to help you reach your organization's goals.

How it works:

- ***You keep 50% of what you sell.*** Cost is \$1.75 per roll and the selling price is \$3.50.
- You take the orders and collect the money. Any checks must be payable to your organization.
- All returned forms should have the quantity and total amount collected at the bottom of the order form to help you quickly calculate the total number of pepperoni rolls needed.
- Once all money is collected, you will write one check payable to Original PJ's Pizza.
- Please allow us 5 days to process and fill your order.
- Pepperoni rolls may be heated in the microwave for approximately 45 seconds to 1 minute. This will vary depending on your microwave. They may be heated in a normal oven at 425 degrees for 12 minutes. They are also delicious cold!

We look forward to helping you reach your goals!
